BB&T Mortgage reviews your escrow account annually to determine if the current monthly payment amounts are sufficient to cover your projected property taxes and/or insurance premiums. Increases or decreases in these annual amounts may cause your monthly mortgage payment to change. Your monthly mortgage payment may also change if your loan includes an adjustable rate feature or buydown assistance.

The following section reflects the anticipated escrow activity for the next 12 months. See the reverse side for actual escrow history. Projected figures are based on the last tax or insurance payments or figures provided to BB&T by your closing agent.
